

# THIS *SUMMER*, TRAVEL FAR AWAY WITHOUT WORRY!

Did you know 100m gain in altitude is equivalent to travelling 100km in latitude? This summer, why not come to the mountains, and in particular, to Méribel? You'll experience not one but several different holidays. Discover five different holiday settings from four continents, all of which are found in Méribel, a gem of the Alps in the Savoie.

**Are you ready to travel?** Fasten your seatbelts and let us guide you around!

## The wilds of Canada, in the footsteps of fur trappers...

Explore the vast pine forests from Altiport to the Tuéda Nature Reserve cross-country on a MTB or E-MTB...

DISCOVER

7 109 km

## The steppes of Mongolia

On horseback, cross vast alpine pastures swept by the wind and inhabited by emblematic marmots...

DISCOVER

6 967 km

## Immersion in the rocky surroundings of a trek in Nepal or Peru?

Gébroulaz Glacier, col du Souffre, col Rouge, nights in a mountain refuge... Get up close to the glaciers and peaks in the Vanoise National Park.

DISCOVER

10 079 km

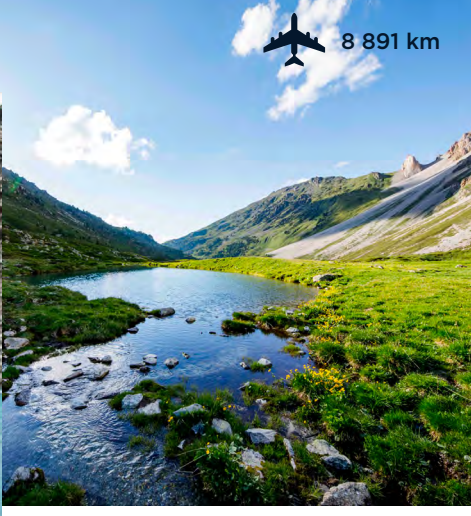

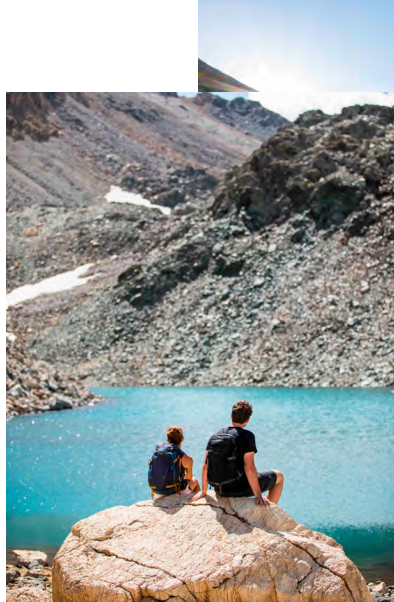

## A hiking trip to the island of Réunion?

Emerald-green or glacier-blue lakes of absolutely pure water, sparkling in the sunshine, tucked into the mountainside: could you be on a walking trip in Réunion?

DISCOVER

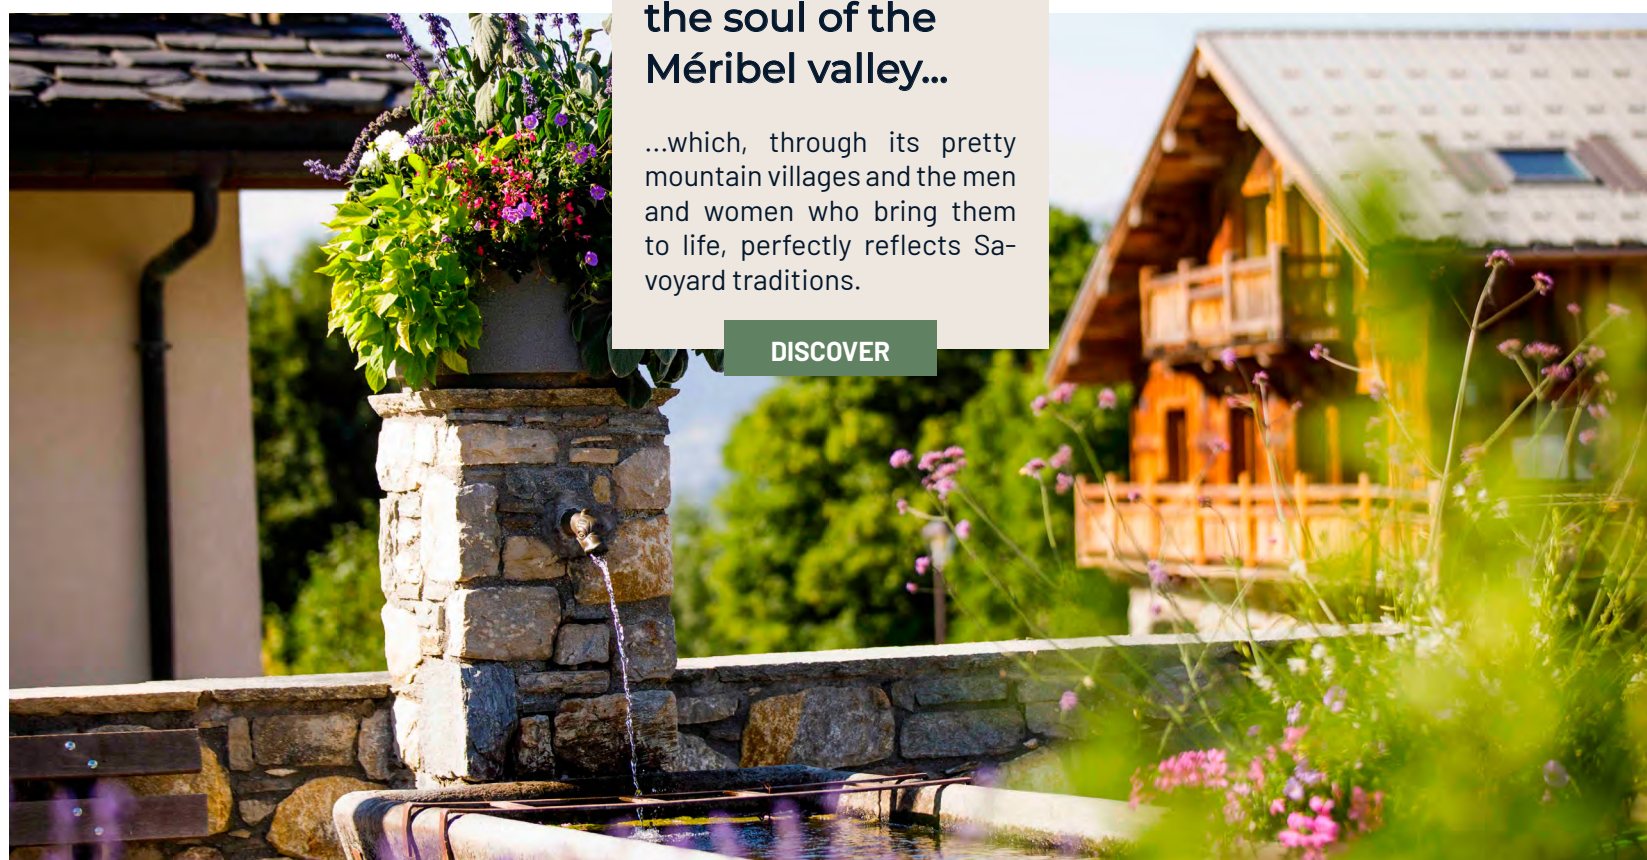

8 891 km

## Not forgetting the soul of the Méribel valley...

...which, through its pretty mountain villages and the men and women who bring them to life, perfectly reflects Savoyard traditions.

DISCOVER

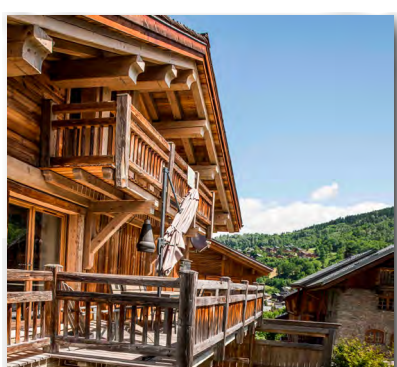

You have just virtually travelled *33,046km* as the crow flies.

Has that whetted your appetite? Don't wait any longer, this summer, you can travel far away without worry.

Come to Méribel for your holidays! Enjoy all these different types of holiday and make the most of all the many experiences they offer.
